

To all our wonderful supporters, thank you so much for all the help you have given the Jinja Educational Trust in the last year. Whether you have supported us through donations, monthly giving, attending our fundraisers or by sending supplies through us to the children. Everything has been gratefully received and used to enhance the education and wellbeing of the children we care for, both in the schools and orphanages in Jinja. We provide education, good classrooms, educational supplies and nutrition.

Without you we would not be able to achieve the ongoing assistance these children need to be able to get the best education they can to enable them to become independent adults.

Together we managed to support 5 primary schools, a senior school and three orphanages.

Great Hopes have a new classroom, new books, a water tank and new latrines.

Mutai has a new tailoring room, library and agricultural department.

The children all continue to thrive in a safe, secure and loving environment.

All made possible by your ongoing support.

For all of you who bought a Patricia book and toy, books 4 and 5 are now ready for purchase through us.

Many thanks and a very Happy Christmas and New Year.

From all of us at the Jinja Educational Trust.
